"One of Laura's strengths is her creativity, as it is a valuable thing to have a strict set of parameters and be able to provide something fresh."

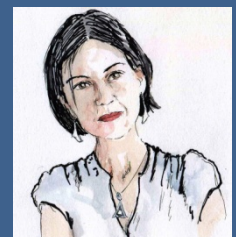

Betsy Gray / Graphics Supervisor, Parthenon - EY – Boston, MA

"Laura is the most hard-working, dedicated, multi-talented professional I have ever worked with. In whatever projects she has committed, she is always fully invested until the projects are completed and exceeds our expectation. Laura is kind, smart, and professional"

Yon Yong / Stirling & Young – New Bedford, NH

"I have worked with Laura throughout the years and her creativeness and determination to produce work at the highest level are unparalleled. Whether it be in computer graphics, website design, art, paintings, Laura is a true professional"

Angela Johnson / SAS Design – Brookline, MA
